

Costume Resale Instructions

See the examples to the right.

1. Hang your costumes on a hanger you don't mind losing. (If the costume cannot be hung, put it in a clear plastic bag and hang the bag.)
2. Make sure all accessories that came with the costume are secured to the costume (i.e.-headbands, gloves, belts, etc.)
3. On a piece of paper, put your full name, phone number, short description of the costume, size, and price you would like to sell it for. (We recommend between \$20 and \$30, although you may price it at whatever you like).
4. Secure the page of information in a clear plastic baggie to your costume so it won't be torn, get separated, or fall off.
5. If your costume can hang, this will be sufficient. If you have to display it in a bag, please take a picture of the costume and put it inside the bag so it can be seen.
6. Bring to 81st and Lewis Black and Pink location by July 10th.

The costumes will be sold at our 81st and Lewis location between July 13th and July 15th.

After the 15th, you have until July 22nd to pickup your costumes that did not sell. If they are not picked up, they will be donated.

You may check anytime after the event to see if you have sold anything.

You get 70% of whatever sells, which can be received in store credit, or we can mail you a check.

Please contact us if you have any questions. Thank you!
