*An Atelier, New York
AW 2017 World Exclusive*

THIS super-limited edition ESWJ01 jacket design is one of only 3 pieces of its kind made by hand in the entire world this season exclusively for Atelier in New York. It was created from our modified extended length, 3-pocket, 19th century jacket pattern from our tailoring research and cut by hand using luxurious supersoft Biella pure cashmere, along with a remarkable lining story that combines geometric viscose jacquard linings woven for us by the master jacquard loom specialist Ezio Ghiringhelli in Varese, Italy, Como striped viscose by Tessitura Mauri, and authentic Bemberg cupro sleeve linings, then specially dyed by hand in our studios using a process that requires over 8 hours of specialized work to achieve its unique effects, special patina and effects. The piece features real working surgeon's sleeve cuffs, remarkable real horn buttons made exclusively for us by the Fontana family in Parma, and real hand stitched buttonholes (each one requires 8-10 minutes to cut and sew) in pure silk *Bozzolo Reale Milano Seta* thread and is handsigned and numbered by the designer. Variations in color and color density are not imperfections or irregularities, but specific characteristics of the special fabric, and hand making technique. Please treat buttons and buttonholes with extreme care. We recommend professional cleaning or hand wash in cold water and protect buttons with foil or plastic wrap when washing. Do not wash with other items. Do not put in washer or dryer.
