AW 2017 Eastern United States exclusive*

THIS elegant super-limited edition ESWJ04 long relaxed living jacket design is one of only 12 pieces of its kind made by hand in the entire world this season. Of these, just 3 pieces were created for all of Eastern United States exclusively for Atelier in New York, from our original pattern and cut in super soft luxurious pure cashmere cloth woven in Biella, Italy. It was combined with a special lining story of Italian jacquard paisley viscose lining woven for us by Ezio Ghiringhelli in Varese, along with authentic Bemberg cupro sleeve lining for super softness and comfort, it features a reversible 2-in-1 design concept use for extra investment value, then it was individually hand dyed in our studios using a special process that requires at least 6 hours for each piece for maximum patina effect and softness. The special double ties can be tied and worn in a variety of different ways. Variations in color and color density are not imperfections or irregularities, but specific characteristics of the special hand dyeing technique. Please treat fabric and lining with care. We recommend professional cleaning or hand wash in cold water and protect buttons with foil or plastic wrap when washing. Do not wash with other items. Do not put in washer or dryer.
