*An Atelier, New York
AW 2017 World Exclusive*

THIS super-limited edition HBP15 trouser design is one of only 4 pieces of its kind made by hand in the entire world this season exclusively for Atelier in New York. It was created from our patchwork drop-rise narrow leg trouser pattern, from our extensive tailoring research, and cut using a luxury cashmere, silk and linen fabric combined with linen and wool details both woven exclusively for us in Sarcedo, Vicenza Italy by Luigi Parisotto and family, combined with authentic Bemberg cupro lining for super softness and comfort, each individually dyed by hand in our studios using a process that requires over 16 hours of specialized work to achieve its unique color, special patina and effects. The design also features special metal zipper made for us in Japan by YKK and chosen for maximum strength and style, generous 2,5 centimeter seam allowances on major fitting seams that allow the trouser to be altered and let out a full two sizes larger than its original cut, remarkable real horn buttons made exclusively for us by Claudio and Cinzia Fontana in Parma Italy, and real hand-stitched buttonholes (each one requires 8-10 minutes to cut and sew) in luxurious pure silk *Bozzolo Reale Seta Milano* threads. Please treat buttons and hand-stitched detail work with care. We recommend professional cleaning or hand wash in cold water and protect buttons with foil or plastic wrap when washing. Do not wash with other items. Do not put in washer or dryer.
