*An Atelier, New York
World Exclusive*

THIS special version of the super-limited edition SEP11 trouser design is one of only 4 pieces of its kind made by hand in the entire world exclusively for Atelier in New York. It was created from our 1910's hunting trouser pattern with special suspenders extended length, from extensive tailoring research, and cut using an exclusive luxury linen, cotton & wool fabric woven exclusively for us in Sarcedo, Vicenza Italy by Luigi Parisotto and family, lined with pure cotton floral printed lining woven for us in Como. The design also features special suspenders made by hand in our studios, metal zipper made for us in Japan by YKK and chosen for maximum strength and style and real hand sewn taped hemline (not machined), generous 2,5 centimeter seam allowances on major fitting seams that allow the trouser to be altered and let out a full two sizes larger than its original cut, real hand-sewn taped hemlines (not machined), remarkable real horn buttons made exclusively for us by Claudio and Cinzia Fontana in Parma Italy, and real hand-stitched buttonholes (each one requires 8-10 minutes to cut and sew) in luxurious pure silk *Bozzolo Reale Seta Milano* threads and is hand-signed and numbered by the designer. Please treat buttons and hand-stitched detail work with care. We recommend professional cleaning or hand wash in cold water and protect buttons with foil or plastic wrap when washing. Do not wash with other items. Do not put in washer or dryer.
