EXCLUSIVE HAND-WASHED L. PARISOTTO LINEN,  
COTTON & WOOL FABRIC,  
HAND-MADE BUTTONHOLES & BUTTONS

*An Atelier, New York*  
*World Exclusive*

THIS special version of the super-limited edition SEWJ03 jacket design is one of only 4 pieces of its kind made by hand in the entire world exclusively for Atelier in New York. It was created from our original single-breasted 2-button shawl collar jacket pattern with advanced pocket design from our “Secrets” and “Grow Deep” AW 2017 Paris collection research, and cut using a luxury linen, cotton and wool fabric woven for us by L. Parisotto and family in Sarcedo, Italy, the world’s most exclusive artisan cotton and linen mill, then combined with a special lining story of paisley jacquard viscose woven for us by Tessitura Mauri and pure cotton floral printed lining woven for us in Como Italy, along with authentic Bemberg cupro sleeve lining for super softness and comfort. It was then individually hand washed in our studios for maximum aging and softness. The design also features real working buttonhole surgeon sleeve cuffs, remarkable real horn buttons made for us in Parma Italy by Claudio and Cinzia Fontana, the greatest living buttonmakers in the world today, and real hand-stitched buttonholes (each one requires 8-10 minutes to cut and sew) in pure silk *Bozzolo Reale Milano Seta* thread and is handsigned and numbered by the designer. Please treat buttons and hand-stitched detail work with care. We recommend professional cleaning or hand wash in cold water and protect buttons with foil or plastic wrap when washing. Do not wash with other items. Do not put in washer or dryer.
