EXCLUSIVE HAND-WASHED L. PARISOTTO LINEN,
COTTON & WOOL FABRIC,
HAND-MADE BUTTONHOLES & BUTTONS

THIS special version of the super-limited edition SEWP01 trouser design is one of only 4 pieces of its kind made by hand in the entire world exclusively for Atelier in New York. It was created from our fly-front cropped zipper button-cuff riding jodhpur trouser pattern, from extensive tailoring research, and cut using an exclusive luxury linen, cotton & wool fabric woven exclusively for us in Sarcedo, Vicenza Italy by Luigi Parisotto and family, lined with pure stripe viscose woven for us by Tessitura Mauri in Como, then hand washed in our studios for extra aging and softness. The design also features reinforced leg panels, coin pocket, and button-closure front pocket, metal zipper made for us in Japan by YKK and chosen for maximum strength and style, generous 2,5 centimeter seam allowances on major fitting seams that allow the trouser to be altered and let out a full two sizes larger than its original cut, remarkable real horn buttons made exclusively for us by Claudio and Cinzia Fontana in Parma Italy, and real hand-stitched buttonholes (each one requires 8-10 minutes to cut and sew) in luxurious pure silk Bozzolo Reale Seta Milano threads. Please treat buttons and hand-stitched detail work with care. We recommend professional cleaning or hand wash in cold water and protect buttons with foil or plastic wrap when washing. Do not wash with other items. Do not put in washer or dryer.
