TRAIN SMART LIVE HAPPY

Manners 2

Sunday, 10 am

@Maine Pet supply

Continue to build good manners started in any basic manners or puppy class. We will add distance, duration, and distraction to behaviors like sit, down, come when called, stay, polite greetings and more.

This class is perfect for anyone wanting to work towards taking the AKC Canine Good Citizen Test, the UKC SPOT test, or just continue to develop great manners in your canine companion.

*This class is for dogs 7 months old and younger.

*The class fee is \$115 for 6, 45 minute - 1 hour classes.

*Class is capped at 6 students.

*Dogs that bark, growl, or lunge would not be good candidates for this class. Private training or reactive dog classes would be more helpful for these dogs.

** Dogs must have taken a basic manners or puppy class with The Familiar Canine or another reward based trainer.*
