# Puppy Manners

**New Day and Time:  
Sunday 9am  
@Maine Pet Supply**

Basic manners and socialization offered in a modular format to fit your busy schedule.

Teach your puppy to be a polite canine by developing behaviors like sit, down, come when called, stay, polite greetings and more using reward based training methods. We will also practice handling skills to help your puppy be more comfortable at the veterinarians and the groomers.

Pay for 4 weeks of training and then reserve your spot for the weeks you wish to attend. That way if you miss a week of class you just reserve your spot the next time that material is covered.

\*This class is for dogs 7 months old and younger.

\*The class fee is \$100 for 4, 45 minute - 1 hour classes.

\*Class is capped at 6 students per week.

\*Dogs that bark, growl, or lunge would not be good candidates for this class. Private training or reactive dog classes would be more
