

# Using Essential Oils Safely for Pets

**CP** TG Certified Pure Therapeutic Grade

Holistic Health for Your Pets

Many pet owners search high and low to find natural products for their companions, but realize the slim alternate options. Thankfully, there are more choices than most pet owners realize and at our upcoming interactive class we'll show just how easy, safe, and effective DIY holistic products can be made using Certified Pure Therapeutic Grade Essential Oils from doTERRA! **We will have an educational class and a make-and-take where you can make items for \$10 each to use on your pet, naturally and effectively.**
