

Sloane Cowl

Designed by Gail French for River Colors Studio

Materials

- 1 skein of Woolfolk Hygge (shown in colorway #3)
- 16" or 24" circular needle US 17
- 1 stitch marker
- Darning needle

Instructions

Cast on 40 stitches, join in the round, place stitch marker at beginning of round.

Row 1: K1, purl to end of round

Row 2: Knit to end of round

Row 3: K2, purl to end of round

Row 4: Knit to end of round

Continue in the above fashion always increasing 1 knit stitch on all odd rows. (For example, row 5 will be K3, purl to end of round.) Work until you've reached the desired cowl height measurement ensuring enough yardage bind-off. Weave in ends.
