Dive the Caribbean's largest underwater park, the Exumas Land & Sea Park. Divers can experience deep sea diving on the many beautiful walls. Sharks are a big draw for divers! See Caribbean reef sharks, nurse sharks, even tiger sharks on the sandy banks! Colorful reefs teeming with marine life sit in depths of 15- 80 feet so divers of all levels enjoy the scuba diving we offer on our Bahamas scuba diving vacations! The central Bahamas were once the hideout of pirates and privateers... now these islands offer spectacular diving in warm, crystal clear waters with deserted beaches as backdrop each week during our adventure travel vacations. Visit Allen's Cay to feed the iguanas.
